A.... poem(?) Featuring, (in order of appearance) Luke Sizemore, Nastassia Naskov, Lillie Brewster, Carolyn Sie, Kassia Fisher, Cody Johnson, and Morgan Raines.

In the moonlight I watch you shed Your baggage, as you run away, A ghost of Night's possession.

Groping through the darkness
I see a ring of dirt engraved in the ground
Could you have passed by here?

A glint of broken glass lies About its history; smirking in the night, he Creeps, becoming one with the shadows.

Longing for something more, he lies in wait

Crouching low, reading to pounce
Pausing, he said "Alas, this is not meant to be!"

"For I come to steal only jewels!"
And so away he went, searching elsewhere,
But then he found that he forgot

He forgot his food lying in the parking
The greasy burger waiting for him there.
But then he heard a dreaded beep

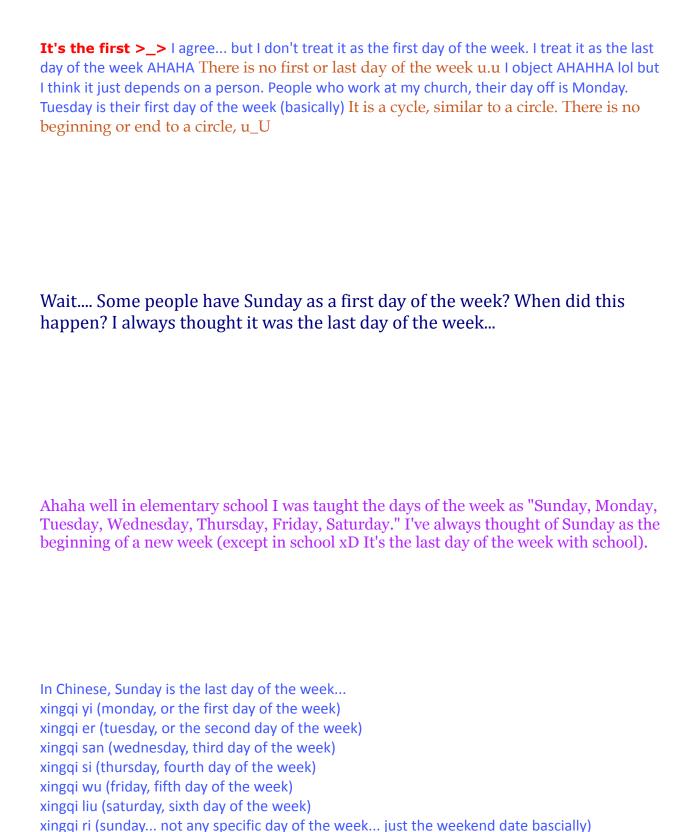

What was that eerie sound, he wondered? He paused, so bewildered. Searching up, down, left, and right

And spotting a tunnel, he discovered
That through the snow this thing had blundered
A once complete hard-boiled egg, now in pieces.

Much like his heart; cold and hard now shattered. He mourned for his beloved egg and stood up again In search of the source of the unsettling sound.

The man explores this sound much to his despair To learn that it was only an oven ringing

Is Sunday the first or last day of the week? Which should it be? depends on the country you live in, and the language you speak. accurate... lol Or, is Wednesday the first day of the week and the government has been lying to us the whole time? =O ...I didn't know governments mandated calendars n\_n Caesar Augustus... Take a gander in which way he mandated calenders ^\_^ and Julius Caesar. Maybe they have and we just don't know it U\_U You never know what those kings did back in the day. Maybe public schools are brain washing all of us @\_@

O.o why so many xingqi's? Do people ever just say the second part and totally neglect the xinqui part? if you neglect the xingqi, then you're just saying a number and they might be confused as to what you're talking about... #rememberxingq lol! #savetheplanet #rememberxingqi We need to make a meme for this or something. xDD Or we could just... EOYA it.:D Yes... #rememberxingqi must go viral. I'll put it in my next instagram post... EVERYONE MUST REMEMBER XINGQI. I doubt you even know how to pronounce it lool nope... just taking advantage of the fact that I can type it and not have to say it xDDD\*cough\* HOW TO PRONOUNCE xingqi... shing (like sing, with a lisp) chee (cheese without the "se" OMG I was right. Avatar the Last Airbender actually paid off u.u congrats, you win nothing except bragging rights. all I've ever wanted:') ) ihaha yeah in swahili its jumamosi, jumapili, jumatatu, jumanne, jumatano, alhamisi, ijumaa. And if you take out th ejuma part for the first five you'll just end up with a number xD Hahaha okay xDD Just wondering xD Because sometimes we say Mon instead of Monday or something like that so I thought it might be the same. Makes you wonder how different people grow up with different abbreviations and stuff xD lol yeah

Happy anniversary of you being expelled from your mother's womb. ~Janel Reichert

[1/23/17, 2:27:44 PM] Ashley Klassen: we kinda keep it quiet most of the time
because the whole adoption this is a tricky subject
[1/23/17, 2:27:53 PM] Ashley Klassen: and I'm kinda in a bit of a witness protection
program
[1/23/17, 2:27:56 PM] Janel: We've never been related, I've always lived in Illinois,

[1/23/17, 2:33:51 PM] Ashley Klassen: in reality, I'm 4'9"
[1/23/17, 2:34:33 PM] Janel: so that's why you're gigantic

[1/23/17, 2:34:41 PM] Ashley Klassen: omw mom didn't tell you?
[1/23/17, 2:35:06 PM] Ashley Klassen: they give me spray tans, too, whenever

[1/23/17, 2:36:52 PM] Ashley Klassen: and i wear leather because she's deathly
allergic to it
[1/23/17, 2:37:23 PM] Lvd Sco: a woman named Amnesia who is deathly allergic to
leather and tries to hunt you down... sounds tough
[1/23/17, 2:37:37 PM] Ashley Klassen: lol yeah idk why they're still hiding me
[1/23/17, 2:37:42 PM] Ashley Klassen: she sounds like a weirdo to me
[1/23/17, 2:38:08 PM] Janel: how did this come from a conversation about an

[1/23/17, 2:41:39 PM] Ashley Klassen: remember, I never met him
[1/23/17, 2:41:47 PM] Ashley Klassen: they took me away before he was born
[1/23/17, 2:42:05 PM] Janel: he's got my dad's body type and my mom's face
[1/23/17, 2:42:30 PM] Lyd Sco: well I'd hope he'd have your dad's body type being a
