**Ruby Maxson:** What exactly is the U\_U supposed to mean?

**Carolyn Sie:** ... time for you to head over to the For NSA Newbies folder even though you've been here for a while

**Ruby Maxson:** Cause I can't tell if it means "we want to burn you with fire" or "why are you saying these things??"  
I'm sorta leading towards the former ;D

**Carolyn Sie:** [insert For NSA Newbies definition]

**Ruby Maxson:** Ok so it can literally mean anything XD

**Carolyn Sie:** yeah so deal with it u\_u

**Ruby Maxson:** XD I'll do my best to cope

**Carolyn Sie:** ^\_^

**Ruby Maxson:** We all know the actual best™ is a title that few uphold and many seek  
some previous owners of said title have been: MLK Jr., Abraham Lincoln, Amelia Earhart, Eliza Hamilton, and the first woman  
to be a pirate.

**Carolyn Sie:** Eliza Hamilton is accurate  
when he was dead his father split full of it debt ridden  
two years later see alex and his mother bed ridden

**Ruby Maxson:** Half dead, sitting in their room sick in the thick of it  
Alex got better, but his mother went quick

**Carolyn Sie:** moved in with a cousin the cousin committed suicide  
left him with nothing but ruined pride a voice in his head saying ALEX YOU GOTTA FEND FOR YOURSELF  
he started retreatin' and readin' every treatise on the shelf  
also ruby it's \*half dead, sitting in their own sick the scent thick

(just so you guys know, we were quoting Hamilton.)
